2019 GARNATXA

This Perinet Wine Club exclusive collection wine is a blend of 80% Garnatxa and 20% Cabernet Sauvignon. The Garnatxa comes from Planetes block of Pendants vineyard, while the Cabernet hails from the La Plana block of our Mas del Xes vineyard. This blend is the most suitable to enhance the age-worthiness of Garnatxa. The typicity of Garnatxa from the region offers floral and dark fruit aromatics and acidity, whereas the Cabernet enhances the structure and earthy tones.

2019 MAS DEL XES GARNATXA

Vinya Mas del Xes Garnatxa is a limited-edition artisan wine expressing terroir through an accurate winemaking process. This single varietal comes from a north-facing vineyard at the edge of the Priorat region. This wine is elegant and structured, offering an expressive journey through the deep layers of a top-tier, single varietal wine. An already outstanding crisp and spicy rendition of the acclaimed Priorat Garnatxa.

2018 PERINET 1194

1194, Perinet's flagship wine, defines the highest quality and potential of the historical varieties: Garnatxa and Carinyena. Produced in limited quantities with the very best grapes from Mas Vell and Pendants vineyards, this handcrafted wine is selected from the most coveted blocks and aged exclusively in French oak. It's a wine that invites conversation, one that captures the essence of scorching days amidst the rugged landscapes of the Priorat and the refreshing sea breeze from the Mediterranean during cool evenings.
